---

As per New Jersey Uniform Fire Prevention Code, permits will be required for cooking operations at all events held at County Facilities.

Applications for permits must be submitted to the county Fire Marshal's Office with the permit fee of \$54.00, prior to your event in a check form payable to the Monmouth County Treasurer. All applications must include a sketch of your equipment set up and brief description of your operation.

The fire permit will be issued to each vendor after inspection is conducted on the first day of the event and the vendor is found to be in compliance with the Fire Code. No vendor will be permitted to operate without a valid permit.

In the event that you have special needs or have any concerns, please feel free to contact the Fire Marshal's Office at 732-683-8856

Inspections will be conducted daily for Code Compliance.
